1. The following is an examiner's statement of reasons for allowance:

The subject matter of the claims is allowable over the prior art of record because all prior arts fail to teach or suggest a method for transmitting data on a common medium in a system including a central station and a plurality of subscribers, data packets in the system being transmitted from the central station to the subscribers (downlink) and from the subscribers to the central station (uplink), the central station being responsible for coordinating media access via a protocol-oriented transmission frame, the transmission frame including a useful signal data phase and a signaling data phase for the uplink and the downlink, by dividing the signaling data phase for the downlink into a signaling data phase related to the central station and a protocol-related signaling data phase; providing at least one identifier of a position in time of the protocol-related signaling data phase of the downlink in the transmission frame; and including the at least one identifier directly in the signaling data phase for the downlink.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alpus H. Hsu whose telephone number is (571)272-3146. The examiner can normally be reached on M-F (5:30-3:00) First Friday Off.
